A **gobar times** water game

LAKES & BLADDERS

Pandit Gobar Ganesh invites you to try
your hand at becoming Water Wise

50 END You are WATER WISE	49 DROUGHT! Nature is unpredictable	48	47 Farmers protest against water from being diverted to your city. Miss a turn	46	45	44 CONFLICT! A neighbouring state fights with your region over river waters
37 You are overexploiting 'free' groundwater using borewells	38 	39	40 LEEEAK! Most pipes in your town leak due to poor maintenance	41	42	43
36	35 You heat your water using a solar water heater	34 POLLUTED! Your garbage contaminates groundwater	33	32 Your Chief Minister decides to give free power to all farmers	31 	30
23 Sewage pipe burst! Miss a turn	24	25	26 Your colony invests in a waste water recycling plant	27	28	29 You begin drip irrigation at your farm
22 	21	20	19 You agree to pay extra sewerage charges	18	17 	16
9 	10 You cannot accept the idea of a compost toilet that saves water	11 You install a rain water harvesting system at home	12 	13 You start a water auditing system in your school	14 	15
8 You are seen wasting water at school. Miss a turn	7 	6 	5 	4 	3 	2 START
